

Cloak Sale

On Wednesday, January 2, 1907, we will inaugurate a cloak sale which will be an unusual affair. In addition to all the cloaks on hand, the late-in-the-season purchase recently made by Mr. Moore at a special price, will be included and will afford the women of this community a rare chance to buy cloaks at a great saving.

Overcoat Sale

Owing to the mild weather which has prevailed most of the season, and the fact that we overbought, we have a much larger stock of overcoats than we should have at this time of the year.

Therefore, we shall place them on sale at greatly reduced prices as quickly as we can rearrange and mark them.

MODERN KITCHEN CABINET

It means lighter, pleasanter work in the kitchen. It means a place for everything—right at your fingers' ends—no reaching. It means a neater kitchen with nothing exposed to dust or heat.

It contains a sanitary flour bin, with sifter attached, a patent sugar bin, insect proof, air tight special lacquered spice cans that preserve the flavors of the spices.

It enables you to save your strength—do the baking—get the three daily meals and clear up in half the usual time.

One woman who has a Good Kitchen Cabinet calls it her "Automatic Servant." It never gets impudent—goes out nights or quits. It is always ready—always helpful—and actually does most of the work of an extra servant.

Come in and see the greatest help ever devised for the housekeeping.
